

2016 TEACH Breakout Session Application

TEACH: Better Together is seeking creative, innovative and informative sessions for our 5th annual conference on Saturday, October 8, 2016.

Conference sessions should focus on current trends, practices, and issues in education, VPK through 12th grade. There will be 27 concurrent breakout sessions, 55-minutes in length. Complimentary conference registration will be provided for up to two presenters in a group (however, no funds are available to pay presenters).

Handouts will be made available for attendees online, via Edmodo. Presenters must be prepared to provide your own copies of on-site handouts. Each room will have a screen and table for a computer with electrical connections. Presenters are responsible for bringing their own laptops.

Breakout session proposals will be accepted until 5 pm on Friday, August 4, 2016. Any proposals received after that date will be put on a waiting list and presenters will be contacted as space becomes available. A committee will be reviewing the proposals and selected presenters will be notified by August 19, 2016. If you are selected as a presenter, you will be asked to submit a high-quality print photograph.
