

**Shanell Davis-Bryant**'s career has focused on improving the natural and built environment for the betterment of those in her community. While at HabiJax, she supported the community revitalization work of the New Town Success Zone serving as the Chair of the Social Wellbeing Subcommittee. During her time as the Program Manager for Groundwork Jacksonville, Shanell worked to inspire a connection to the environment in youth and connect Jacksonvillians to the unique ecosystems of the St. John's River tributaries through volunteerism.

Shanell graduated from the University of Georgia with a BS in international affairs and a minor in ecology. After serving in AmeriCorps, she completed her master's degree in public administration with a focus in nonprofit management and program evaluation at The Ohio State University.

Shanell currently serves on the American Heart Association's Health Equity Committee and USGBC Northeast Florida Local Market Leadership.
