

International, award-winning recording artist **Lisa McClendon**, emerged on the music scene in 2002 with her debut album, *My Diary, Your Life*.

Reshaping the gospel music landscape with elements of soul and jazz, Lisa quickly became the “Queen of Gospel Neo-Soul.”

Currently, Lisa McClendon serves as a community advocate, merging gardening, art, and mindfulness to empower youth and continues to travel the world, bringing to the stage musical inspiration and feel-good vibes that heal and uplift the soul.
