# Who we are

## MISSION

WJCT Public Media's mission is to use our unique assets as a resource for citizens to come together to celebrate human diversity, experience lifelong learning, and actively engage in matters of civic importance, all to improve the quality of our lives and our community.

## VISION

Our vision for WJCT Public Media is to be regarded as an indispensable community resource, connecting citizens to content, sharing ideas, and setting the standards through which the community learns and grows.

# Everywhere you want to be

In today's fragmented media landscape, it can be hard to make your business and brand stand out. With so many platforms competing for consumers' attention, how do you know the best option for reaching your audience?

As a corporate sponsor of WJCT Public Media, your business doesn't have to choose between TV or radio, online visibility or in-person promotion. As the public media station for Northeast Florida and Southeast Georgia, WJCT is everywhere you want to be. Our customized, integrated sponsorship packages position your company before the coveted public media audience – on air, online and everywhere in between.

# Community centered. Universally connected.

## **JAX PBS TV**

Our award-winning PBS television programs attract a large and loyal audience of affluent, engaged viewers.

## **WJCT NEWS 89.9 FM RADIO**

From children's events to civic lectures, WJCT's community and educational outreach activities connect your company to the community in meaningful ways.

Let WJCT create a customized corporate sponsor package that will reach your target audience, enhance your public image and impact your bottom line.

# Align with excellence

## **JAX PBS TV**

For 20 years, PBS has ranked as the most-trusted media organization, rating higher than all other broadcast, cable and streaming services. As a corporate sponsor of JAX PBS, you'll align your company with the trust, credibility and high-quality programming for which PBS is renowned.

## **STAND OUT ON PBS**

Your business will stand out in JAX PBS's uncluttered broadcast environment: Unlike commercial TV—where commercial breaks interrupt programs and run for 12 minutes or longer—JAX PBS breaks run for just 3 minutes between programs. And with category exclusivity within the break, you can be sure your message won't air in between your competitors' spots.
